

## Assignment Day 3 | 6th May 2020

### Question 1 of 2:

WAP for taking one number as input and then using if elif else concept, assign a grade to the input number from

A,B,C,D,E, Fail

In a formatted report card

Example :

Input - 97

Output - |-----|  
          | A |  
          |-----|

### Question 2 of 2:

Guessing Team India Score in 20-20 Cricket -

WAP gives you a random score of Team India in a cricket match, and a player has to guess the score given by computer in between 1 to 250. The rules are:

1. If a player's guess is less than 1 or greater than 250, say "Reduce your expectation for 20-20 Cricket"
2. On a player's input, if their score guess is

- within 10 of the number, return **"Close By, you are True Indian Fan! "**
- further than 10 away from the number, return **"You don't watch that much! :P "**

For any doubts regarding the assignment, ask questions in the [Free Coding School Group](#) in the Community.

Submit the Assignment by **7th May 2020 10:00 AM.**
